

HAVE A BUSINESS VALUATION REPORT,
UNCERTAIN AS TO WHETHER IT IS CORRECT?

Cappuccino

PACKAGE

"From the top down..."

We can help provide you with clarity on the issues contained within the report by highlighting areas of contention, providing clarity on methodology, and deconstructing the figures.

Depending on each report, we will ease minds by validating sound conclusions or suggesting more appropriate approaches.

YOU RECEIVE

60 minute initial consultation conversation with us, your lawyer and yourself outlining all areas of concern and answering queries you might have.

Outline of cost options and defined time frames if further work is required.

WE NEED

A copy of the Business Valuation Report (or if not available the value determined and supporting financial documents).

5 Business Days to Review.

\$1980 INCL. GST

The Cappuccino is named for the aerial view of a Capuchin monk with his brown robes surrounding the top of his head; hence, 'from the top down'.
